

# ANYWAY

People are unreasonable, illogical, and self-centred,  
**LOVE THEM ANYWAY**

If you do good, people will accuse you of selfish, ulterior motives,  
**DO GOOD ANYWAY**

If you are successful, you win false and true enemies,  
**SUCCEED ANYWAY**

The good you do will be forgotten tomorrow,  
**DO GOOD ANYWAY**

Honesty and frankness make you vulnerable,  
**BE HONEST AND FRANK ANYWAY**

What you spent years building may be destroyed overnight,  
**BUILD ANYWAY**

People really need help but may attack you if you help them,  
**HELP PEOPLE ANYWAY**

Give the world the best you have and you'll get kicked in the teeth,  
**GIVE THE WORLD THE BEST YOU'VE GOT ANYWAY.**

## **FAITH and LOVE**

In the January 2008 issue of Sanathana Sarathi Swami says " **You can Attain Anything with Faith and Love.**"

"Everything happens by the Will of God. Therefore, it is the duty of man to know the Will of God. Those who have faith in the Will of God are protected. Those who lack faith ruin their lives. For everything Faith is essential. If only you have faith, you can achieve anything. Some people develop faith only when their desires are fulfilled. But when their desires are not fulfilled, they lose faith. You should have firm faith whether your desires are fulfilled or not. You should keep your faith safe and secure. If you firmly hold on to faith, you can progress to any extent. With faith, even a blind man can see and a dumb man can speak. Therefore, do not give room to doubts."

"When you are fine, I am also fine. My happiness lies in your happiness. All of you are not different from me. You are in Me only. Take this as the fundamental truth. I am getting all this work done through you because I require some instruments for doing the work. Therefore, I am making you My worthy instruments by imparting Prajnana (constant integrated awareness), Vijnana (wisdom) and Sujnana (discrimination) to you. Hence lead your lives with firm Faith. You think that all the progress in the world is due to education. It is not at

**all true. There are a large number of educated persons in the world. But, in what way is the world benefited by them? In fact they are doing more harm than good in the world. With strong spiritual base, you will be protected even if you are not highly educated. But if you lack spirituality and have everything, then all this is a big zero. Hence, fill your heart with devotion to God.”**
